MASTER BOOKBINDER

SUBJECT OF APPRAISAL:
OPUS AMERICANA, MAGNUS EDITION

Estimated Value of the Fine Leather Binding: \$950.00

The Magnus Edition of Opus Americana, in the Tan and Silver design or the Brown and Gold version, features full grain aniline hides, authentic tooling by hand pallets, marbled papers, gilt edges, and Smyth-sewn leaves.

Built with classical construction methods, made entirely by hand, the book and the custom fitted matching presentation case, combined, would have a replacement cost of at least \$950.00, not including the cost of the fine printing, and the custom sculptured American Flag medallions inset into the book covers.

This type of Presentation has often been used for gifts at the very highest diplomatic level, even among heads of state.
